

5 REASONS YOU NEED A COMPANY STORE

Take the stress out of branded merchandise management with a custom online company store. We provide flexible store options and creative solutions for your entire enterprise.

#1 Spend Consolidation

Challenge: Rogue employee spend is unmanageable

Pinnacle Solution:

- Budget and spend allowances
- Purchasing controls
- Automated manager approvals

#2 Reporting

Challenge: Insufficient inventory reporting functionality

Pinnacle Solution:

- Accurate, accessible, and intuitive reporting dashboard
- Quarterly business reviews
- Comprehensive purchasing summary for online and offline spend

#3 Time Management

Challenge: Unnecessary hours spent sourcing promotional product vendors and maintaining a “swag closet”

Pinnacle Solution:

- Timely delivery of accurate and quality products
- 98% of orders ship in 24 hours
- Robust inventory management

#4 Logistics and Warehousing

Challenge: Spending too much time filling requests and packing and shipping items

Pinnacle Solution:

- We pack and ship
- Automated order confirmation
- Supply chain management

#5 Employee Engagement

Challenge: Re-energize staff and instill a sense of pride felt toward the organization

Pinnacle Solution:

- Awards that recognize distinguished performance
- Brand name apparel and merchandise
- Custom reward portals
