

MyPromo PopUp

is the custom web solution for all your short-term and group buy promotional merch needs with no upfront inventory commitment. Make your next marketing campaign **POP!**

No Inventory Commitment

Challenge: Uncertainty around inventory needs and product storage.

MyPromo PopUp Solution: The PopUp provides a short-term ordering window with no upfront inventory requirements — which means you don't need to worry about storage.

Streamlined Logistics

Challenge: Hours wasted ordering, packing, and shipping products.

MyPromo PopUp Solution: We handle your products from start to finish for easy inventory management. We promptly fulfill orders and ship your items directly to your customers and employees.

Brand Compliance

Challenge: Rogue employee spending on non-compliant branded products.

MyPromo PopUp Solution: We help your company stay on-brand with a custom online shop, compliant products and branded packaging materials.

Sensible Sustainability

Challenge: Promoting company sustainability with no follow-through.

MyPromo PopUp Solution: No inventory commitment means no extra promotional products going to waste. We begin your fulfillment as soon as your shop closes for added sustainability.
