

# MyPromo Portal

is the custom web solution to help grow your brand by providing approved products that are inventoried and shipped from our warehouse to your customers and employees. It's time to say hello to simplified redemption programs for your company!

## Streamlined Logistics

**Challenge:** Hours wasted ordering, packing and shipping products

**MyPromo Portal Solution:** We handle your products from start to finish for easy inventory management. We promptly fulfill orders and ship your items directly to your customers and employees.

## Employee Engagement

**Challenge:** Inconsistent employee recognition

**MyPromo Portal Solution:** Whether you welcome new team members or reward established ones, your employees can easily access branded new hire kits and incentives — stocked with the latest trending promotional products.

## Marketing Portal

**Challenge:** Disconnected ordering processes

**MyPromo Portal Solution:** We create a sleek, branded marketing portal accessible to anyone with your unique web link. No more letting customer and employee rewards fall through the cracks.

## Internal Information Collection

**Challenge:** Overwhelmed with spreadsheets for employee addresses, shirt sizes, etc.

**MyPromo Portal Solution:** We help you manage internal employee information by compiling addresses, birthdays, anniversary dates, shirt sizes and more! We keep you organized so you never miss important employee celebrations.

## Brand Compliance

**Challenge:** Rogue employee spending on non-compliant products

**MyPromo Portal Solution:** No more unapproved branding! We help your team stay on-brand and on-budget by setting brand controls and spending allowances.

### Best Used For:

- ✓ Employee welcome kits
- ✓ Sale incentives
- ✓ Holiday gifts
